This Pretty Planet

*We will sing this through all together first.
Then we'll try it as a round, the second group
comes in when the first group gets to the **

This pretty planet
Spinning through space
You're a garden
You're a harbor
You're a holy place
* Golden sun going down
Gentle blue giant
Spin us around
All through the night
Safe till the morning light

This pretty planet
Spinning through space
You're a garden
You're a harbor
You're a holy place
Golden sun going down
Gentle blue giant
Spin us around
All through the night
Safe till the morning light

I Don't Want to Live on the Moon

Well, I'd like to visit the moon
On a rocket ship high in the air
Yes, I'd like to visit the moon
But I don't think I'd like to live there
Though I'd like to look down
At the earth from above
I would miss all the places and people I love
So although I might like it for one afternoon
I don't want to live on the moon

I'd like to travel under the sea
I could meet all the fish everywhere
Yes, I'd travel under the sea
But I don't think I'd like to live there
I might stay for a day there if I had my wish
But there's not much to do
When your friends are all fish
And an oyster and clam aren't real family
So I don't want to live in the sea

I'd like to visit the jungle, hear the lions roar
Go back in time and meet a dinosaur
There's so many strange places I'd like to be
But none of them permanently

So if I should visit the moon
Well, I'll dance on a moonbeam and then
I will make a wish on a star
And I'll wish I was home once again
Though I'd like to look down
At the earth from above
I would miss all the places and people I love
So although I may go I'll be coming home soon
'Cause I don't want to live on the moon
No, I don't want to live on the moon

London Bridge

London Bridge is falling down
Falling down, falling down
London Bridge is falling down
My fair lady

Build it up with iron bars
Iron bars, iron bars
Build it up with iron bars
My fair lady

Iron bars will bend and break
Bend and break, bend and break
Iron bars will bend and break
My fair lady

Build it up with gold and silver
Gold and silver, gold and silver
Build it up with gold and silver
My fair lady

London Bridge is falling down
Falling down, falling down
London Bridge is falling down
My fair lady

Les Petits

Les petits poissons dans l'eau
Nagent, nagent, nagent, nagent, nagent
Les petits poissons dans l'eau
Nagent aussi bien que les gros

Les petits les gros, nagent comme il faut
Les gros les petits, nagent bien aussi

Les petits poissons dans l'eau
Nagent, nagent, nagent, nagent, nagent
Les petits poissons dans l'eau
Nagent aussi bien que les gros

Yellow Submarine

In the town where I was born,
Lived a man who sailed the sea,
And he told us of his life,
In the land of submarines.
So we sailed on to the sun,
Till we found the sea of green,
And we lived beneath the waves,
In our yellow submarine.

We all live in a yellow submarine,
Yellow submarine, yellow submarine,
We all live in a yellow submarine,
Yellow submarine, yellow submarine.

And our friends are all aboard,
Many more of them live next door,
And the band begins to play.
(Musical bit)

We all live in a yellow submarine,
Yellow submarine, yellow submarine,
We all live in a yellow submarine,
Yellow submarine, yellow submarine.

As we live a life of ease,
Everyone of us has all we need,
Sky of blue and sea of green,
In our yellow submarine.

We all live in a yellow submarine,
Yellow submarine, yellow submarine,
We all live in a yellow submarine,
Yellow submarine, yellow submarine

Here Comes the Sun

Here comes the sun, here comes the sun
And I say, it's all right

Little darling,
It's been a long cold lonely winter,
Little darling,
It feels like years since it's been here

Here comes the sun, here comes the sun
And I say, it's all right

Little darling,
The smiles returning to their faces
Little darling,
It seems like years since it's been here

Here comes the sun, here comes the sun
And I say, it's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling,
I feel that ice is slowly melting
Little darling,
It seems like years since it's been clear

Here comes the sun, here comes the sun
And I say, it's all right
Here comes the sun, here comes the sun
It's all right, it's all right
